TABLE RUNNER TEMPLATE

60 x 90 in | Full scale | 150 dpi

HOW TO SET UP YOUR ARTWORK

1. Put your design on the ARTWORK HERE layer, at full size.
2. Run your background color or photo all the way to the red hem line.
3. Keep words, logos and faces inside the blue safety lines.
4. The bottom 30 in hangs down the front of the table and faces your guests.
5. Use images at 150 dpi at full size: 9000 x 13500 px for this runner.
6. Delete both DELETE BEFORE SAVING layers, then save as a PDF.

Upload it with your order at inline.graphics. A free digital proof comes before anything prints.
